VISION

The integral formation of the human person for the fulfilment of his/her individual responsibilities with sincerity, honesty and maturity.

MISSION

To provide value - based education in letter and spirit and mould the character of the younger generation to achieve progress and prosperity in life thereby serving the society.

AIMS AND OBJECTIVES

- ◆ We aim at moulding our students as leaders who are intellectually competent, emotionally balanced, spiritually enlightened, morally upright and psychologically integrated.
- ◆ Our students should be the torch bearers of truth and justice. We do not discriminate students on the basis of caste, creed or faith. A perfect secular atmosphere is provided to our students knowing fully well that to be humane is the essence of all religious teachings.
- ◆ We aspire towards establishing a just and humane society where dignity of human beings are upheld and respected, a society where unjust social customs, norms, practices and structures are challenged and demolished.
- ◆ We strive to project our cultural heritages such as ahimsa, religious tolerance and harmony and above all national integration in all our endeavours.
- ◆ In this era of globalization the whole world is becoming a family. We train our students keeping this view in our mind that all are our brothers and sisters. Only such a feeling of universal brotherhood can put an end to global terrorism and mutual hatred.
- ◆ Though this is a Christian institution, more than 90% of the students belong to other castes. We accept and respect them. We exhort our students to have beautiful dreams about their future and we enable them to develop a will to cherish their dreams. Discipline and hard work are the two factors that lead man to success.
- ◆ Our College encapsulates this vision and we strain every nerve to achieve this. The College hence calls upon all especially students, teachers, staff, parents and the public to recognize this vision and lend a helping hand for its realization.

ST. FRANCIS XAVIER, OUR HEAVENLY PATRON

St. Francis Xavier, S.J., was a Navarrese Basque Roman Catholic Missionary, born in Javier, Kingdom of Navarre (now part of Spain). His acquaintance with Ignatius of Loyola prompted him to join the path of devotion. He devoted himself to religious service and became one of the founders of Jesuit Order. In 1530, Francis was awarded Degree of Master of Arts and taught Aristotelian Philosophy at Beauvas College, University of Paris. The world venerated him for his ability to live and work with the downtrodden and the marginalised. The incomparable apostolic zeal and the stupendous miracles which the God has ordained through him made him an unparalleled divine manifestation. As an ecstatic saint, great teacher and savior, his soul continues to provide providential assistance in all our ventures.

The aim of NSS is to educate the students through community service and enrich their personality and deepen their understanding of the social environment in which they live. The more specific objectives of the NSS are to arouse in the students a social commitment towards nation building and to provide them opportunities to work with people for community development.

Although admission to the Scheme is voluntary, once a student opts for it, it will be compulsory for him/ her to complete the minimum 120 hours in a year in the scheme activities. Hence they should be prepared to utilize their holidays and vacations for field work whenever required. The NSS volunteers who complete the minimum requirements for two consecutive years will be given a certificate from the University signed by the Vice Chancellor. The holders of such certificates are eligible to get weightage of marks at the time of admission to any course of study.

The responsibility of evaluating the internal assessment is vested on the teacher(s), who teach the course.

Every student has to come to the college along with the parent and meet the class teacher concerned. The class teacher will hand over the progress report directly to the parent in the presence of their wards. The class teacher will instruct the parent and student to meet all the teachers. After meeting all the other teachers and if required by the Principal, the parent has to meet the class teacher again and return the signed counter foil of the Progress Report to the class teacher.
